

Invitation

LITIGATION FUNDING

Kochanski Zieba & Partners (KZP), Pinsent Masons, Burford Capital and TheJudge invite you to attend a joint seminar where we will present you the topic of Litigation Funding and After The Event Insurance (ATE).

Litigation Funding exists to support clients who either lack the funds to pursue a legal case or who have the funds but would like to share some of the risk with a third party. Litigation Funding and ATE is available for domestic commercial civil litigation, domestic commercial arbitration, as well as international and investment arbitration.

We hope that you can join us and look forward to what we hope will be an interesting discussion.
